The Fresno Art Museum ArtLink tours are the perfect field trip for you and your children to enjoy and experience the many fascinating and wonderful exhibitions that the Fresno Art Museum (FAM) has to offer. Our exhibitions include contemporary and modern art, a special exhibition of illustration art from children's books, and our impressive Mesoamerican collection.

The ArtLink program offers a guided tour by one or more of our art instructors followed by exhibition-related hands-on art activities held in FAM's Education Center. Our art instructors are both teaching and working artists who are knowledgeable about the formal elements of art, art history, and our current exhibitions. They gear the tours to the age of the students and make them as interactive as possible, utilizing Visual Thinking Strategies (VTS) when viewing art.

You can learn about our current exhibitions by going to <http://fresnoartmuseum.org/exhibitions/current-exhibition/>

Call us about customizing a tour just for your group. Tours start at \$100 for up to 20 people.
