Handmade Jewelry From Cappadocia, Turkey

Inspired by the fairyland look of Cappadocia, this light lace jewelry creates an intriguing look for you. Women artisans gather and produce this beautiful hand crocheted jewelry. They create these modern designs by using the crochet technique they learned from their mothers as the tradition continues. They are a co-op and each woman owns her business. Fair trade.

Tivoli Audio Model One Bluetooth Radio \$199

TIVOLI AUDIO MODEL ONE BLUETOOTH RADIO

Imagine the ideal radio. With a tuner that brings clarity to many of the weakest stations and Bluetooth, the Model One radio begins with a handmade wood cabinet that is both beautiful and the ideal acoustically inert housing. With just three knobs, it is the antithesis of today's ever more complex electronic products. But behind the Model One's simple appearance hides a multitude of technology, facilitating higher sound reproduction over anything else near it in size.
