This event is THE signature fundraiser for the Fresno Art Museum, and we want YOU to be a part of it!

Your sponsorship ensures we will produce this fantastic event for a fifth time! *Trashique* is a high-end fashion show of artist-designed wearable art creations inspired by historical and master artists. Each fashion piece is created by local artists from recycled, re-purposed, and re-used materials. Our artists have awed and amazed audiences every year.

Trashique 2018 promises to be better than ever with more creativity, more vibrancy, more fun! And it will be held in a brand new and exciting location!

In addition to the VIP dinner before the show for certain sponsorship levels, the Museum will provide pre- and post-show entertainment for all attendees. StageWorks Fresno's Joel Abels will be returning as Master of Ceremonies and will introduce you to all the artists and their muses throughout the show. There will be other surprises in store for all who attend.

Your support will make this night an epic one!
