

All-Around Town: Fresno Summer Fun Supply List

Check to see if you already have some of these supplies before purchasing. For specific examples for those things listed with an asterisk, you can find them on an Amazon List at <https://a.co/bT2DbmQ>. It is highly recommended that you purchase each item (or the equivalent) before the start of class if you do not already have access to them. You only need one of each unless otherwise stated. In some cases, we found that some of the items come in multiple packs on Amazon at a lower price than buying individually. Some things you can find at Dollar Tree, Allard's Art, GSW School Supply, Michael's, Office Depot or other stores at a lower price than on Amazon.
